

Educate. Protect. Advocate. Support.

Dedicated to Preventing Suicide

SAVE - Suicide Awareness Voices of Education is a national nonprofit working to end the tragedy of suicide through education and training programs, lethal means safety initiatives, advocacy at state and national levels, and providing support to those affected by suicide loss.

What We Do

Educate and Train community members and stakeholders to identify those who may be at risk

- Distribute free educational materials
- Develop help-seeking behaviors among students through The Green Bandana Project
- Offer free gatekeeper training to identify and support people at risk of suicide
- Train employees in high-risk occupations like the construction industry

Lethal Means Safety initiatives to keep people, families, and communities safe

- Promote secure storage of firearms, medications, and other small lethal household items through distributing free gun locks and educational materials

Advocate for people impacted by suicide at state and federal levels

- Advocate for public and private resources to support suicide prevention programs
- Partner with and organize coalitions of advocates to pass suicide prevention policies
- Advocate for the installation of barriers on high risk locations

Support individuals, families, and communities after suicide loss

- Honor the lives of those lost to suicide through the Memorial Fund program
- Provide grief support information and resources to suicide loss survivors
- Provide hope and healing through the annual Survivors of Suicide Loss Day Memorial Event and other engagement opportunities
